Discuss:

- What is the hardest decision you have ever had to make? OR is there a decision you are facing right now that you would be willing to share with the group?
- What are some of the idols in our American culture? Which one attracts your attention the most?
- Ashley taught that False Gods always promise what only the true God can provide. Can you give an example of where that is true?
- Obadiah was a fellow prophet of Elijah who had hidden hundreds of prophets in caves to save them. Who do you have in your life that could share your vision and burden spiritually?

Prayer:

- Take some time to pray for those in the group who shared their hard decisions they are making right now. Pray specifically that they would have incredible focus and that they would eliminate distractions.
