Player Registration Certification

The 2022 CCV STARS CHAMPIONS CUP soccer tournament is sanctioned by ASA/USSF and by rule each player participating in the tournament and listed on the team roster must be registered for 2021-2022 soccer season. The CCV STARS CHAMPIONS CUP is a Sanctioned Tournament and accepts teams and players registered through ASA, USYS, AYSO, USSSA, USCS and all International Associations.

Each player and Coach on the roster are required to have a valid current year player/coach pass and each player must have a medical release (for players under the age of 18). The coach or business manager must carry that player pass with them at all times and have them available for inspection at any time during the course of the tournament.

Each player must be listed on the team roster with the player's name, national association registration player pass number, and jersey number. Acceptable forms of rosters are printed copies of State and or National association rosters, GotSoccer roster or a printed form containing all the above information.

Player passes will be checked before each game and should match the master game card on file.

As the representative of the above-named team I attest that each payer on the tournament roster has a current year valid player pass issued by ASA, USYS, USCS or AYSO. I also agree that said player pass will be carried with the team during the duration of the tournament (Jan 14-16, 2022) and will be presented on demand to any tournament official.

I also understand that failure to present a valid player pass at any time to a tournament official, within 30 minutes of demand, will result in the forfeiture of all games and tournament fees, and notification of such will be forwarded to the team's state association for discipline.
