PROGRAM SUMMARY

2021 – 2022 Season

CCV East Valley

Welcome to CCV Stars East Valley Club Soccer! We are honored that you have chosen to look further into our program. With the help and support of more than 1,700 volunteers, we have created a high quality, professionally run multi-sport youth program with more than 15,000 annual participants based on Christian principals.

CCV Stars is open to all players and families, regardless of race, religion, color, or creed. Many call CCV their home church but this is not a requirement to play. Our motto is **More Than A Game (MTAG)** and we regularly emphasize our “3 C’s”, **Character – Competition – Community**. Our players, coaches, and parents have high standards of sportsmanship and clear focus on code of conduct. We pray at practices and games and expect players to participate in a short character development program every week. We promote an open, safe, and friendly environment where everyone is welcome.

TRYOUT PROCESS & TEAM SELECTION

All interested players must tryout (\$10 tryout fee) and be selected for a club soccer team as not all players will be selected. We anticipate three dates per age/gender for which all players are encouraged to participate. A detailed schedule for placements/tryouts can be found at the Stars website under Surprise Club Soccer. A player wishing to tryout in an older age group “must” tryout in his or her natural age group as well. See “playing-up” policy later in this guide. Professional coaches will be heavily involved in the age specific placements and tryouts to be able to group the players with “like level” qualities. In addition to soccer skill and athleticism, we are looking for players who have a high degree of character, loyalty, and a positive attitude.

TRYOUT DATES

- Born in 2012-2015: May 2, 4 and 8
- Born in 2010-2011: May 10, 12 15.

PROGRAM GOALS

- Club sports with a well-balanced life perspective
- Training for excellence and competing to do your best always
- Establishing “ambassador” teams to represent CCV and Stars in the community
- Building Godly leaders to impact the valley through youth sports

CLUB POLICIES EXPECTED BEHAVIOR (SUMMARY)

Playing Up: You must dominate your grade group and be an impact player at the next for it to be allowed. Program Director & Director if Coaching must approve. All players must tryout at least one time in their natural age group and the older age group before it will be granted to play-up. No exceptions.

Loaning Players to Clubs Outside Stars: We do not loan players to other clubs during the season. Players registered for CCV Stars Club Soccer should only play for their school or CCV Stars, no other clubs during season.

Playing Time: 50% or greater "on average" until final competition phase.

EXPECTED BEHAVIOR

In line with our More Than A Game philosophy, the following are our standards for behavior that detail our high expectations for character and sportsmanship. This includes clear consequences for coaches, players, and parents if rules are not followed.

- Be positive and encourage all players, coaches, and family members
- No gossip or negative talk about players, coaches, referees, or opponents
- No parent coaching from the sideline at practice or games
- No parent interrupting practice or games
- No foul language
- Show sportsmanship in all situations
- No parent interaction with the referee
- No use of illegal substances by our players or coaches at anytime
