### **Club Fee**

The Club Fee is the operational cost per club player for participation for the season. This fee is paid when a player is offered a roster spot and secures their spot on the team. The Club Fee pays for, but is not limited to professional coaching and training, field usage and maintenance, insurance, administration and operational support and fees, and any other programs offered by the club. All Club Fees will be paid through our club management app Playmetrics. Payment plans are available with a minimum payment of \$300 due at time of registration.

### **Team Fee**

The Team Fee varies per age group, level of team, and it covers team specific costs such as league fees, tournament registrations, coach travel expenses, team equipment, and other team related expenses. Specific Team Fee amounts are usually available from your coach or team manager in May/June. These payments will be paid in our club management app Playmetrics.

### **Uniform Costs**

Uniform ordering is completed and paid for individually through our online portal with Score. Ordering should not be completed until a player's roster is assigned by the club coach and the registration fee has been paid. The 2023-2024 season is the second year of a two-year uniform cycle for the club. Players uniforms are manufactured by Score.
