

In an effort to keep our trip up north to Flagstaff, AZ smooth and organized, please follow these guidelines when packing for HS Camp. Students are responsible for everything they bring including anything that may get stolen, lost, or broken. Make sure ALL of your luggage is clearly labeled with either luggage tags or duct tape that has your name on it.

## What should my Student bring?

You can take **up to 4** pieces of luggage **LABELLED** with your **first and last name**. **Each student carries their own luggage**. Items to bring:

- A large backpack
- Snacks
- A large suitcase
- A bedding bag (usually large black trash bag) — to pack bedding (sheets, blanket, pillow or sleeping bag)

### Backpack

- Warm stuff: jacket / sweat shirt
- A water bottle
- Spending money for snacks, coffees, camp merchandise, etc.

### 1 Large Suitcase

- 3-4 outfits for morning activities (active wear suggested)
- Theme day outfits (more details to come)
- Light jacket or sweatshirt
- 4 nice casual outfits for evening sessions (like you would wear to school)
- Swimwear if you plan to use the pool. **Girls - no bikinis**
- Camp gear - Bible, pens, and a small notepad / journal
- Toiletries - towel, hand towel, washcloth, makeup, blow dryer, razor, deodorant, soap, shampoo, toothbrush, toothpaste, hand soap, etc.

### Bedding Bag

- At NAU, your student will be in the dorms on beds, but will need to provide their own twin-sized bedding (sleeping bag & pillow or twin-size sheets, blanket, & pillow)
- Put your sleeping bag, sheets, blanket & pillow in a black trash bag and put your first and last name on it with duct tape. This helps us pack them right. Rolled up in this bag, you may want to include: shower towel, hand towel, washcloth, etc.
- Don't forget an extra black trash bag for re-packing your bedding!

### On the Bus

- You may take a small pillow, backpack, and snacks for the trip.

### Don't forget . . .

- Sunscreen, flashlight, playing cards, etc.
- **Do not bring** an Xbox or PS4 or similar items to camp.
